

## RECORDS RETENTION AND DISPOSITION SCHEDULE

## Animal Health, Indiana State Board of

I H N /I'	RECORD	ealth, Indiana State Board of Division:  TITLE/DESCRIPTION	RETENTION PERIOD
NO.	SERIES		RETENTION FERIOD
	2008-17	(This Retention Schedule is approved on a space-available basis)  PREMISES IDENTIFICATION PROGRAM	DESTROY after two (2) years.
-	2008-17	Applications and related/supporting documents.	DESIROI alter two (2) years.
	2000 10		DECEMBER (10)
2	2008-18	LIVESTOCK BRAND FILES	DESTROY ten (10) years after the brand
		Files contain livestock brand registrations and related	becomes inactive.
		information such as applications, approvals, denials,	
- !		transfers, and related information.DESTROY ten (10) years	
- !		after the brand becomes inactive.	
3	2008-19	BRUCELLOSIS RING TEST FILES	DESTROY after ten (10) years.
- 1		Information relating to the brucellosis ring test program	
- !		including test results, reports, and related information.	
4	2008-20	CHRONIC WASTING DISEASE PROGRAM HERD FILES	DESTROY after ten (10) years.
		Records associated with the chronic wasting disease (CWD)	· · · · -
		control program such as certificates of veterinary	
		inspection, test charts, quarantine notices and related	
		documents, tracing and other investigation reports, import	
		records, epidemiological reports, and herd certification	
		records. The file is used as a control file to maintain CWD	
		health records for herds.	
5	2008-21	DAIRY PLANTS AND DISTRIBUTORS	DESTROY inspection reports and routine
		Grade A and manufacturing grade dairy plants and	letters after three (3) years. DESTROY
		distributors records including applications, blueprints,	labeling materials when replaced. DESTROY
		permits, inspections, test results, correspondence,	special letters when the specific condition
		labeling materials, and related records.	in a plant no longer exists. DESTROY each
			year's laboratory records when replaced by
			two (2) additional years worth of results.
6	2008-23	DAIRY LABORATORY EVALUATION RECORDS	DESTROY after two (2) years.
Ŭ	2000 25	Laboratory inspection reports, certifications, drug residue	bedinor area ewo (2) jears.
- !		testing records and related material.	
	2014-02	ANIMAL DISEASE TEST REPORTS	DECERDON often three (2) weeks
′	2014-02		DESTROY after three (3) years.
- 1		Animal disease test reports that are related to an agency	
- !		animal health program and that are not covered by another	
		record series.	
8	2014-03	OFFICIAL IDENTIFICATION DISTRIBUTION RECORDS	DESTROY after five (5) years.
		Records relating to distribution of official animal	
- !		identification devices.	
9	79-2794	DAILY ACTIVITIES AND ITINERARY REPORTS OF INSPECTORS AND	DESTROY after receipt of STATE BOARD OF
- 1		VETERINARIANS	ACCOUNTS Audit Report and satisfaction of
			unsettled charges.
